

Ingenuity

Who's going to fix it? How?

The story you're telling:
**We have the know-how
and resourcefulness to solve this
problem.**

Strategic way to redirect thinking away from patterns such as:
**Determinism; Fatalism; Nostalgia; Technology
Is Dangerous**

Concepts and ideas included in this frame element:

- Sense of agency: we are **resourceful**, clever, and thoughtful—so we can tackle this problem.
- It's in our culture as a country to find **innovative** solutions to challenging problems.
- Innovation isn't always inventing from scratch—it also includes **finding ideas that work**, borrowing them, and implementing them thoughtfully.
- Let's use ingenuity to **remodel** school programs and curricula.
- If we fail to innovate, we risk backsliding as a **nation of innovators**.
