

Human Potential

Why does it matter? What's at stake?

The story you're telling:
We need the talents and contributions of all learners to be available to our communities.

Strategic way to redirect thinking away from patterns such as:

Assessment = Standardized Tests; Passive Learning; Separate Fates; Zero-Sum Thinking

Concepts and ideas included in this frame element:

- Focus on **expanding a collective pool of available talent**, so that a diversity of skills is available to our country.
- We have **many roles to fill**, and so we need flexible, interest-based approaches.
- Sense of urgency: **we can't afford to continue** with **one-size-fits-all** education.
