

A Message Template for Children's Mental Health

LEVEL ONE

Values

Prosperity, Ingenuity

LEVEL TWO

Issue Category

Children's Mental Health

TO CONCRETIZE LEVEL TWO

Simplifying Model

Leveling (How it works) +

Brain Architecture (What develops)

Toxic Stress (What can disrupt it)

LEVEL THREE

Specific Policy Solutions

Expand children's mental health services; improve coordination between pediatricians and mental health specialists; screen children for problems in child care, school and other settings
