

Ingenuity

The story you're telling:

**We have the know-how
and resourcefulness to solve
this problem.**

Strategic way to redirect thinking away from patterns such as:

**Determinism; Fatalism; Nostalgia; Technology is
Dangerous**

Concepts and ideas included in this frame element:

- Sense of agency: We are **resourceful**, clever, and thoughtful – so we can tackle this problem.
- It's in our culture as a country to find **innovative** solutions to challenging problems.
- Innovation isn't always inventing from scratch – it also includes **finding ideas that work**, borrowing them, implementing them thoughtfully.
- Let's use ingenuity to **remodel** school programs and curricula.
- If we fail to innovate, we risk backsliding as a **nation of innovators**.
