

Youth Development

- Black Box
- Family bubble
- Tots or teens, nothing in between
- Teens are morally defective adults
- Mental health is controlling emotions

Race

- Historical progress
- Separate fates
- Minority “culture” (lack of self-makingness)

Fairness

- Uniform: Sentencing needs to be consistent
- Contextual: Responses should take circumstances into account

What's in the swamp of...

Juvenile Justice Reform

Solutions

- What solutions?
- The system works just fine
- Fatalism
- Affect decision calculus

Causes of Crime

- Crime = Rational decision
- Rotten parents, rotten eggs
- Negative experiences
