

Consumerism

- Schools should be run like businesses
- You get what you pay for
- Education is a limited resource

Parents

- Good parents discipline, control their children

Students

- Good students have discipline, motivation, character
- Represent the nation's future

Teachers

- Teachers ARE the ed system
- Good teachers = caring teachers
- Caring, not money, should motivate
- Restricted by school boards, administration, ed policy

Education

Reform

- Reform what?
- Education is broken
- Back to basics

Unions

- Distract motivated teachers
- Protect employee rights but too concerned about pay/benefits
- Obstacles to reform
- Society needs "pure" capitalism

Teachers Need Access to Resources
